<First Name>, don't miss out!

Hi, <First Name>.

We're Direct Capital, and since 1993, we have lent more than \$4 billion to small business owners like you.

We might be a national brand but our heart lies here, right in your backyard.

We lend low-cost money, but we do it fast, with minimal paperwork. But you already know that.

What you might not know is how we're gearing up for a year of helping local business like you crush obstacles and be successful.

Here's how we can help:

- We offer competitive rates so you can invest in what you need most, whether it's equipment upgrades, marketing, or headcount.
- You'll see terms that work for your business structure.
- Have access to the cash you need often within 24 hours.

So, from one local business to another, let's get reacquainted.
